

Online Forums

Computer Literacy 1, Spring 2007

Name: _____ **Topic:** _____

Find two online forums that you believe would be good places to go for information on your hobby or particular interest. A “good” forum is one that is populated by people who are knowledgeable about the topic, willing to share information, and treat each other with respect. The forum should also be reasonably free of spam and off-topic posts.

Name of first forum: _____

URL of forum: _____

Reasons this forum is a good one (use examples to illustrate your points):

Qualities that might improve this forum:

Name of second forum: _____

URL of forum: _____

Reasons this forum is a good one (use examples to illustrate your points):

Qualities that might improve this forum:
